"SPEED, BOYS!"  
Century 2 - Reel Comedy  
With an All-Star Cast

Spec and Bubbles take on the job of engineering and conducting a miniature train in a seaside resort, to earn money to aid their poor mothers. After considerable difficulty with the mechanism and also with many of their friends who want to ride free, they convert the train into a dental accessory, to remove the aching tooth of one of their buddies.

Having failed to remove his freckles, in order to make himself beautiful in his girl's eyes, Spec takes his sweetie out for a ride on the train.

An amusing attempt on the part of his rival to out Spec with his girl, the fat rival gets the worst of the argument and loses the girl for all time.
